YOUTH PROGRAM FUNDING ESTIMATES

DEPARTMENT OF LABOR

Employment and Training Administration

YOUTH PROGRAMS UNDER THE COMPREHENSIVE EMPLOYMENT AND TRAINING ACT

List of Funding Estimates

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: This notice lists the program funding estimates for certain of the Department's youth programs under the Youth Employment and Demonstration Projects Act (YEDPA) of 1977. The information is provided so that eligible applicants may begin planning for the Youth Community Conservation and Improvement Projects (YCCIP) and the Youth Employment and Training Programs (YETP). In addition, an initial allocation equal to five percent of the YETP amount is being authorized so that early preparation for the program may take place.

FOR FURTHER INFORMATION CONTACT:

Esther Friedman, Director, Youth Programs Task Force, Room 3218, 601 D Street NW., Washington, D.C. 20213; telephone 202-376-6820.

SUPPLEMENTARY INFORMATION:

YOUTH COMMUNITY CONSERVATION AND IMPROVEMENT PROJECTS (YCCIP)

As required by section 333(a) of the Comprehensive Employment and Training Act (CETA), 75 percent of the funds under YCCIP will be distributed among the States based on the number of unemployed residing within each State compared to the number of unemployed nationwide, except that each State and, in the aggregate, Guam, the Virgin Islands, American Samoa, the Northern Marianas, and the Trust Territory of the Pacific Islands will receive a distribution equal to one-half of one percent. Distribution among title I prime sponsors under the Comprehensive Employment and Training Act will be made within each State based on the number of unemployed residing within each prime sponsor's area as compared to the number of unemployed statewide.

YOUTH EMPLOYMENT AND TRAINING PROGRAMS (YETP)

As required by section 343(a), the Department will distribute 75 percent of the funds available under YETP among prime sponsors by the formula contained in section 343(b)(1) of the act. Specifically, the formula calls for distribution to be made according to the following:

(1) Thirty-seven and one-half percent of the funds shall be allocated on the basis of the relative number of unemployed persons within each State as compared to such numbers in all States.

(2) Thirty-seven and one-half percent of the funds shall be allocated on the basis of the relative number of unemployed persons residing in areas of substantial unemployment within each State as compared to the total number of unemployed persons in all such areas in all States, and,

(3) Twenty-five percent of the funds shall be allocated on the basis of the relative number of persons in families with an annual income below the low-income level within each State as compared to such numbers in all States. Similarly distribution among prime sponsors under CETA was made within each State.

STATEWIDE YOUTH SERVICES

Five percent of the funds available for YEDPA youth programs will be made available to Governors for special statewide youth services.

PLANNING GRANTS (ALLOCATIONS)

Initial planning allocations are being provided to prime sponsors consisting of five percent (5%) of the program estimate for the Youth Employment and Training Programs. These funds are to be used for administrative planning purposes as specified below:

1. The construction of a comprehensive inventory of all career development, employment, training and related services to youths age 14–21.

2. The establishment of a youth council which will represent groups and organizations responsive to youth as required by the legislation under section 346(b).

3. The development of appropriate linkages with local education agencies, community based organizations, union organizations, local Federal programs, criminal justice systems, apprenticeship programs, and other organizations serving youth.

4. The identification of model programs for career development, employment and training.

5. Other such administrative planning activities supportive to the intent of the youth legislation.

The program funding estimates and planning grant allocations are as follows: The planning estimates set forth in this notice do not include those for special programs directed to the needs of Native American youth and youth from farmworker families. Planning estimates for these two program categories will be published at a later date.
